

Airport Supervisor / Safety Coordinator

The County of Northern Lights has an opening for a full time permanent senior safety professional and supervisor located in our office in Manning, Alberta.

Job Description

This position reports directly to the Director of Public Works, and is a high-profile position in the County. This position has three aspects of responsibility; The first serves as the staff specialist in safety by developing and carrying out procedures within the County to minimize incidents and safety infractions. The second manages and directs emergency management services by coordinating with staff, community groups and other stakeholders to help the municipality be well prepared in the event of a declared emergency. The third aspect is the Supervision of the Airport operations.
